# WELCOME TO THE 21<sup>ST</sup> YEAR OF PIPING LIVE

Finlay MacDonald, Artistic Director of Piping Live 2024.

Welcome to the 21st edition of Piping Live! It's incredible to think back on how much the festival has grown in the last two decades. I'm extremely proud to be involved in the direction of what is now a major cultural and musical event for Scotland, and the global piping and traditional music scene. There's a real energy in the piping and drumming scene in anticipation of Piping Live! this year. Glasgow is certainly going to be alive with music, friendship and camaraderie.

Our packed programme features Pipe Bands on Buchanan Street, an array of evening concerts for 2024 including Ceol Nua with Sólàs Collective and the Nexus Project with two fantastic young pipers leading these line ups, as well as Croft No. Five playing their only solo show in Glasgow this Summer on Friday 16th August. As well as these new events, our festival staples are also returning, with the Pipe Major Alasdair Gillies Memorial Recital Challenge, The International Quartet Competition and R.G Hardie & Co Masters Solo Piping Competition across the week.

Our Street Café returns with free live music and performances each day. Our Auditorium will once again see recitals, talks, concerts and competitions

and more. There will also be museum tours, come and try sessions and our late night sessions across the week!

The team here at the National Piping Centre has been working tirelessly to deliver the festival this year, despite some substantial funding cuts across the cultural events industry, so we really need public support now more than ever - please purchase tickets, please donate what you can and please encourage others to come out and enjoy the world-class performances we will be showcasing this August.

Never has your support been more vital in ensuring this iconic festival, and the scene it supports, continues to thrive. A huge thanks to all our sponsors, funders and supporters without whom Piping Live! would not be possible.

All that remains to say is that I look forward to seeing you at this year's festival and I hope you enjoy yourselves.

It is no secret that the past few years have been difficult for the events industry, and Piping Live! has been so grateful for all your support - this year, these challenges have been compounded by a reduction in funding.

We hope you can consider donating to Piping Live! to help keep the festival coming back bigger and better in future years. We hope to see you all back here at the Street Cafe, The National Piping Centre and at our concerts across Glasgow next year!

# Glenfiddich Piping Championship

**Saturday 26th October 2024 • Blair Castle, Blair Atholl, PH18 5TL**

The Glenfiddich Piping Championship was established in 1974 to inspire the world's finest individual pipers and to seek the best overall exponents of ceòl mòr or piobaireachd (the great music) and ceòl beag or light music (the little music). The event is held annually at Blair Castle in Blair Atholl Perthshire. Each year, 10 competitors qualify to play at this prestigious event through placing in one of a series of qualifying events.

The Competition this year takes place on Saturday 26th October 2024, commencing promptly at 10am. The 10 competitors for 2024 will be announced in September, when all the results from the qualifying events are known. Following the competition, the annual Pipers' Ceilidh will take place in the Atholl Palace Hotel, in Pitlochry from 8.30pm. There are a limited number of tickets for this black tie ceilidh available for purchase, along with a competition ticket, through the website link.
